It is an immense pleasure to me to write this letter of certificate to **Mr. Subodh Kathayat**, the inhabitant of Tikapur-1, Kailali having work in the research project "Piloting and Promoting an Innovative Fertilizer Management Tool (Nutrient Expert<sup>®</sup>) for Improved Nutrient Management of Early Spring Maize and Chaite Rice in Rani Jamara Kulariya Irrigation Command Area of Tikapur, Kailali" being funded by the Agriculture Project Unit of Rani Jamara Kulariya Irrigation System. The on-farm research work was run during January to June, 2021 and **Mr. Kathayat** has helped me in some of the activities of the field data tabulation and computer entry in the project.

I wish him all the best for his future endeavors.
